Declaration

Herewith we declare:

After having reviewed the complete product portfolio of

HUEGLI TECH AG [Ltd]
The Engine & Genset Control Company
Murgenthalstrasse 30
CH-4900 Langenthal, Switzerland

we came to the conclusion that according to article 7.1 of Regulation No. 1907/2006 (REACH), the import into the European Economic Area (EEA) of products of this company which are articles under the definition of the abovementioned regulation will not trigger any registration obligation for chemical substances.

Further, we satisfied ourselves that at this moment of time an EEA importer of products from HUEGLI TECH AG [Ltd] has no obligation to notify the European Chemical Agency according to article 7.2.

The abovementioned company committed by signing a formal obligation to pre-notify us about any significant change in its product portfolio in order to be assessed in view of the validity of the present declaration.
