

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

consulting

engineering

prototyping

customised solutions

worldwide support

training

*Solutions for combustion engines,
that work right from the beginning.*

Hügli Tech AG (Ltd)

The solution provider

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

Company Profile

Founded:	1929, formerly HUGLI&CO.
Company status:	Public limited company, family owned
President:	Mr. Daniel Hügli
Localities:	3 buildings, total 4000 square meters Offices, workshop, stores, training room
Branch Offices:	England France Russia Singapore Vietnam Korea

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

ISO 9001: 2000 Certification

- Certified 1. April 1999
(ISO 9001: 1994)
- New Certificate 21. February 2005
(ISO 9001: 2000)

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

Activities

- **Activities:** Wholesale, servicing and repair of electrical, electronic and hydraulic equipment for combustion engines and industrial applications. Wholesale and support of Genset and CHP automation systems.

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

Products

A) Electronic Speed Governing Systems (GAC)

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

GAC Specialties

- SDG (smart digital governor)
- ATB (throttle body actuator)
- IGC (integrated governor control)

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

Products

B) Genset Automation Systems (ComAp - high end)

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

ComAp specialties

- IG-DCU Diesel engine controller
- IG-GPU (400Hz ground power unit)
- IG-Marine (integrated marine controller)
- CAN links...

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

Products

C) Genset Automation Systems (Bernini, low end)

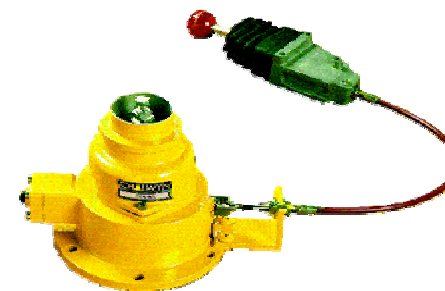

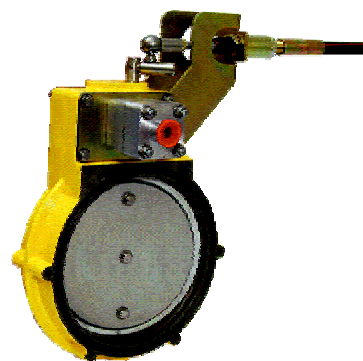

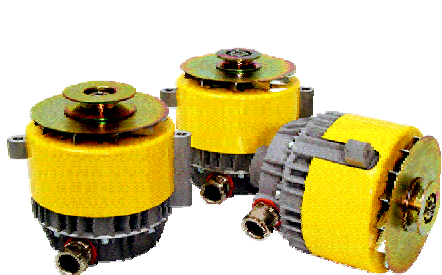

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

Products

D) Engine Protection Devices

CHALWYN

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

Products

D) Engine Protection Devices

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

Products

E) Hydraulic Engine Starting Systems

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

Represented Companies

GOVERNORS AMERICA CORPORATION, USA (GAC)

Products: Electronic engine governor systems for combustion engines Paralleling equipment for gensets, pick-up and speed switches

ComAp s.r.o., Czech Republic (ComAp)

Products: Controls for co-generation and gas-gensets, Mains monitoring units, ignition control units, switchboards, high-end diesel genset controls

BERNINI-DESIGN S.P.A, ITALY (BERNINI)

Products: Electronic controls/protections for combustion engines and gen-sets

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

Represented Companies

KOC SIS TECHNOLOGIES INCORP., USA (K-T-I)

Products: Hydraulic starting equipment or combustion engines Hydro pneumatic accumulators

CHALWYN, UK

Products: Engine Emergency Stop Systems

TROMBETTA, USA - C.E.I, IT

Products: Motion Solenoids

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

Target markets

Generating set market (Diesel and Gas)

- Engine manufacturers 0 to 1500kW
- Generating set manufacturers
- Large generating set users
- Panel, switch board manufacturers

Non generating set market (Diesel and Gas)

- Engine manufacturers
- Engine dealers
- Locomotive builders
- Ship builders (small/medium size)
- Industrial vehicle builders (Pumps, cranes, excavators, fork lifts...)

HUEGLI TECH AG (LTD)
The Engine & Genset Control Company

Some of our OEM Customers

**Major OEM customers:
GAC (Engines)**

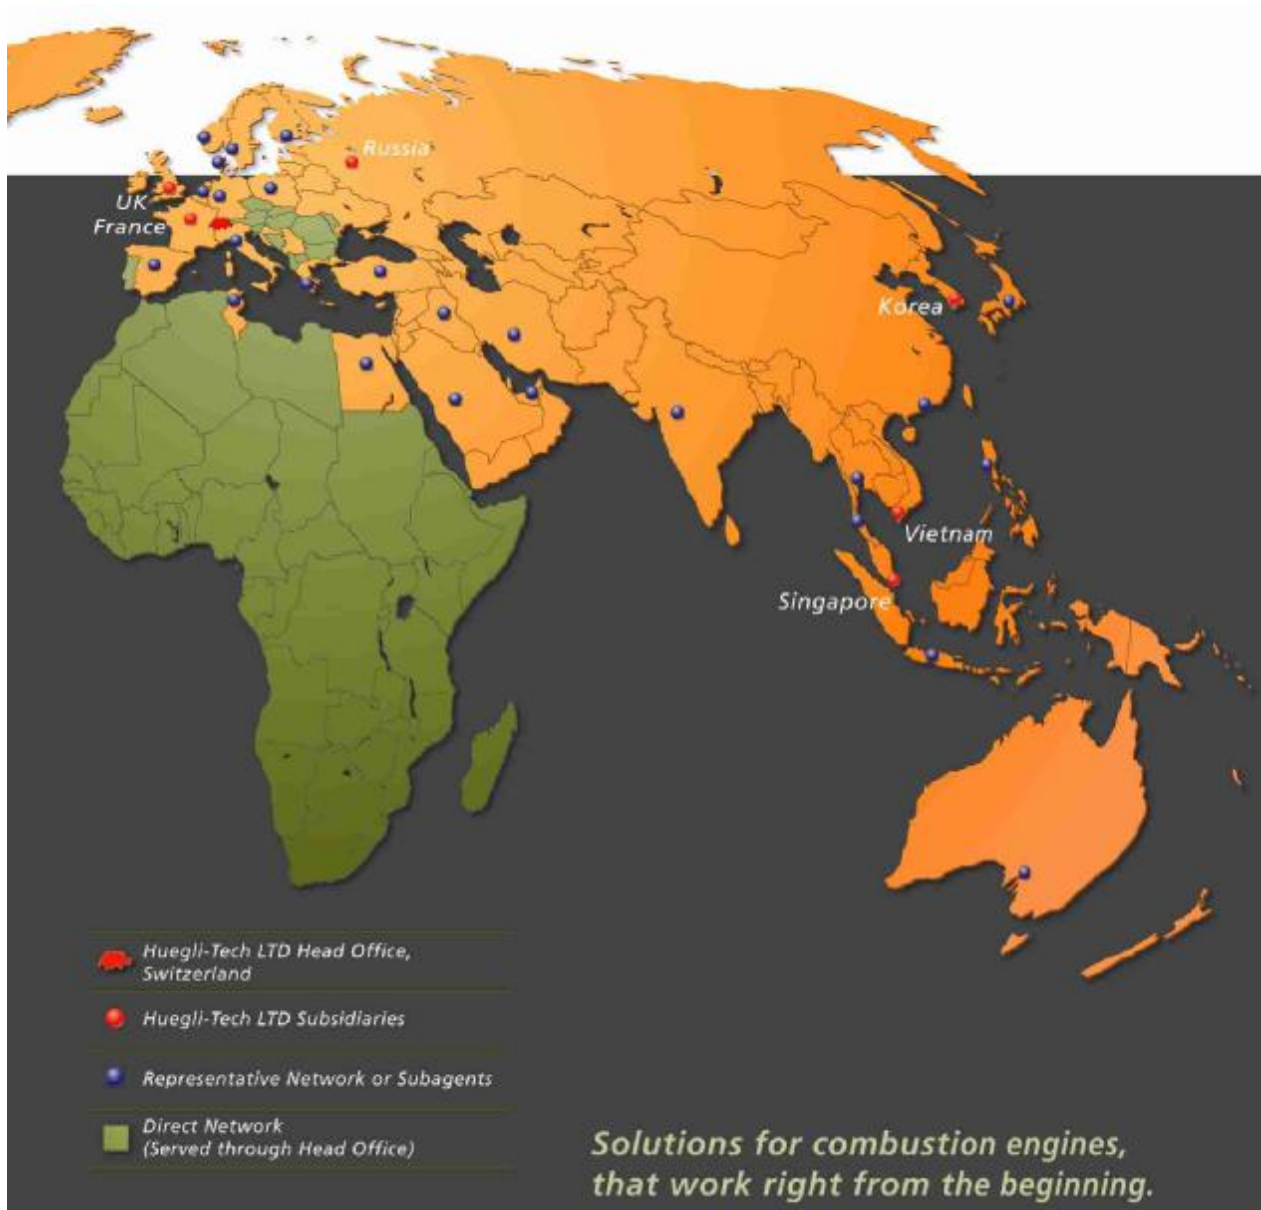

- VOLVO, SCANIA (SE) / SISU (FI)
- MAN, DEUTZ MTU (DE)
- IVECO, LOMBARDINI, VM (IT)
- DAWOO (KR), MITSUBISHI (JP)
- KIRLOSKAR OIL ENGINES CO., CUMMINS (IN)

**Major OEM customers:
GAC/COMAP (Gensets)**

- SDMO (FR), PANEXP (SI)
- SICES, AEZ, VISA (IT)
- HIMOINSA (E), BLACKSTONE (SI)
- TURBOMAR (P)
- BROADCROWN (UK),
- CHINA TELECOM (CN)
