Adapter Kit to Start Valve VCA-300378-B

Dear Customer

The old Bowden Wire Valve VCA-300378 is no longer available and has been replaced by the new type VCA-300378-B, with SAE porting.

To serve you with the right Adapter Kit, we kindly ask you to fill out the following form and to send it back to us, together with your VCA order if the item is for a Retrofit application.

Thank you very much for your understanding and cooperation.

Item	Part no.	New System	Retrofit / Spare part
VCA-300378-B	10968	1	1
Adapter SAE #12 to 3/4" NPTF			2
Please choose application:		<input type="checkbox"/>	<input type="checkbox"/>
Service Kit		No Service Kit required	KT-300378-1

CAUTION:

Prior to any disassembly work, all pressurized fluid in the accumulators must be bled to the reservoir. Always release all hydraulic pressure before disconnecting any lines.
